Dear Friends and Neighbors

HAPPY NEW YEAR

It's a New Year, and we all need to celebrate in our own way. Merv and I plan on bringing in the New Year quietly watching the ball drop on television and sipping a glass of champagne with a few dear friends.

I stopped making New Year resolutions several years ago. I would be so dedicated the first few weeks and so disappointed in myself thereafter.

So, my goals in life are simple: be kind to others to be a good wife, mother, friend, and neighbor. Very simple Philosophy, however, it works for me.

The Board of Directors, Larry and the clubhouse staff are very excited about the new year. The Super Bowl party is being planned as I write this. **Please join us for a whole lot of FOOTBALL, food and camaraderie.**

Larry and Tiffany are the CEO's of FUN in 2026.

I know they have many "fun" events planned. Please mark your calendars and join us on Friday nights for dinner. It's a great way to meet your neighbors, especially our new residents.

Our world is going through trials and tribulations. It's time to come together in peace and love.

I am wishing you all a very happy, healthy and prosperous 2026. See you in the New Year.

Martin Luther King Jr.

Martin Luther King Jr. — commonly honored on his birthday — was born on **January 15, 1929** in Atlanta, Georgia.

King emerged as a key leader of the U.S. Civil Rights Movement in the 1950s and 1960s, championing non-violent protest and civil disobedience to challenge racial segregation and injustice. Among his most iconic contributions was leading the 1955 Montgomery Bus Boycott — an early major victory — and delivering his legendary “I Have a Dream” speech during the 1963 March on Washington for Jobs and Freedom.

In 1964, his efforts earned him the Nobel Peace Prize, recognizing his powerful moral leadership and dedication to peaceful change.

After his assassination in 1968, there was a long campaign to honor his memory with a national holiday. Finally, in 1983, the U.S. Congress passed legislation to create Martin Luther King Jr. Day — first observed in 1986 on the third Monday each January, around the time of his birthdate.

Today, his birthday and the holiday serve not only to remember him, but also to inspire continued efforts toward equality, justice, and community service — reflecting his vision that change can come through peaceful, persistent action.

Dr. Martin Luther King Jr.
